If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.

## Data Security

Surat Istam Yatimkhana Society applies the highest standards for data security in the management of customer information. We utilize computer protection mechanisms, such as firewalls and data encryption, there are physical access controls to our buildings and files, and we provide access to personal information only to those employees who need it to carry out their activities (need-to-know basis).

Once you have entered and saved your personal information on our website or in your account, and have logged in, from this point forward communication will be encrypted. We will connect you with our secure server, so that the data cannot be read by any other person. On the basis of 128 bit SSL encryption technology, we encrypt your data and transmit it in safe mode. This standard meets the highest standards, and is used for example by banks.

For your own security, we recommend using the latest version of your browser and an up-to-date virus scanner. You can recognize when encryption is switched on by the activated lock icon at the bottom of the browser status bar, or directly above the comparison engine. We protect our server and your data with the latest security software and firewalls, which should prevent any unauthorized access attempt from the outset.

The security of your account also depends on how well you protect your password. Do not share your password with anyone. You will never be asked by a Surat Istam Yatimkhana Society's employee to specify your password. Therefore, consider emails or other messages in which you are asked for your password to be unauthorized and suspicious, and forward them to [siys1918@siys.in](mailto:siys1918@siys.in).

If you nevertheless give your password to someone else for a particular reason, this person will gain access to your user account and your personal information, and you will be responsible for all activities carried out using your password. If you believe that someone else has access to your password, change it immediately by logging in to your account at [www.siys.in](http://www.siys.in), and make the change in the profile settings, and notify us immediately as described above.

# Protection of Customer Data

# Cookies, Website Tracking

To make visiting our website attractive and to establish the use of certain functions for you, we use so-called 'cookies' on some pages of our website. These involve small text files that are stored locally in the cache of your computer's Internet browser. Cookies enable the recognition of the Internet browser upon your next visit to our website, making our offer more user-friendly, more effective, and also more secure. By using siys.in you agree to our use of cookies. However, you have the option of setting your browser to reject cookies or to display them in advance. However, if you reject cookies or similar technologies you may not be able to use certain web page offers, services, applications, or features. In addition, you can delete cookies on your system at any time. Please use the help integrated into your browser for more information on this topic.

Surat Istam Yatimkhana Society uses Google Analytics, an Internet analysis service provided by Google Inc. ('Google'), to evaluate and support online marketing measures. Google Analytics uses so-called 'cookies', which are text files placed on your computer for helping to analyse how you use the website. The information generated by the cookie about your use of the website will be transmitted to and stored by Google on servers in the United States. This website uses IP anonymization. Your IP address will be shortened by Google mainly within Member States of the European Union, or in other States party to the Agreement on the European Economic Area.

On behalf of Surat Istam Yatimkhana Society, Google will use this information to evaluate your use of the website, to compile reports about the website activity, and to provide Surat Istam Yatimkhana Society with further services related to website activity and Internet usage. The IP address that your browser transmits within the scope of Google Analytics will not be associated with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser. However please be advised that if you do this you may not be able to use the full functionality of this website.

You can also prevent Google from collecting the data generated by the cookie related to your use of the website (including your IP address), as well as prevent the processing of this data by Google, by downloading and installing the browser plug-in available [here](#).

Further information regarding terms of use and privacy policy can be found [here](#). Would like to advise you that this website has expanded Google Analytics using the code 'GAT.\_anonymizelp();' to ensure anonymous collection of IP addresses (so-called IP masking).

You can prevent the installation of cookies by adjusting your Internet application (browser). To do this, you must turn off the storage of cookies in your Internet browser. For more information, please consult your Internet browser's user instructions.

This website uses the 'Google AdWords' online advertising program, specifically its conversion tracking function. The conversion tracking cookie is set when a user clicks on an ad delivered by Google. These cookies will expire after 30 days and do not yield personal identification. If the user visits certain pages of this website and the cookie has not expired, we and Google will detect that the user has clicked on the ad and been redirected to this page. Each Google AdWords customer receives a different cookie. Cookies cannot be tracked via the websites of AdWords customers. Information obtained by using the conversion cookie is used to create conversion stats for advertisers who have opted-in to conversion tracking. The customers can determine the total number of users who have clicked on their ad and who were redirected to a page with a conversion tracking tag. However, they do not obtain any information which can identify the user personally. Users who do not want to participate in this tracking can easily disable the Google conversion tracking cookie on their Internet browser via the user settings. These users will not be included in the conversion tracking statistics. Learn more about the [Google Privacy Policy](#).
